

**Registration Form For Chapter 8 2011 Rally
January 31st–February 4th Texas and Mexico**

IF you cannot attend the rally a donation to Ch.8 charity may be made by completing your name, address, and the amount of your donation on this form and returning it by mail to the address provided. If you have items to donate: please contact wagon master as below.

Registrations will be accepted beginning on September 1, 2010.

This year you have 3 options to secure your place at the rally. We are trying **1.** An Electronic registration format- You will print & fill out this -form and return it to us by email or fax. This is our preferred method. You would then mail us a check for the amount of your Total Rally Fee to the address below. **2.** You can register at the Escapade in Goshen on the Row or at the Escapee social. Please bring this form filled out with you. **3.** You can mail your registration to the address below with your check.

The address to receive your checks and registrations will be in a secure location but will not be checked daily. Your place on the rally will be kept by the date and time of your email, fax or the postmark of your mailed registration. All checks will be secured and deposited in a batch every one to two weeks depending on the number of registrations.

The use of electronic registration will be extremely helpful to wagon masters as they often travel during registration time. It will mean, the names and choices of all attendees can be quickly gathered and orders placed for merchandise as needed during registration expediting the process for all those attending.

etc _____

Is this your first Chapter 8 Rally? Y / N Have you been
to Mexico? Y / N

Chapter 8 is not a tour company. The purpose of this rally is to foster camaraderie among members while learning and visiting with our neighbors in Mexico. After reading our website you will see this rally is different from our previous experiences. We will only spend one day in Mexico. To make this rally a success we will need your enthusiasm, your help, and your desire to help in the planning for the future of Chapter 8 in 2012 and beyond.

Volunteer Possibilities are varied, some suggestions are below but we may have need for others as well. List your 1, 2 and 3rd choices so we can find something you might like or list an idea you have that might be helpful.

ALL PARTICIPANTS WILL NEED TO BRING THEIR PASSPORTS TO THIS RALLY. YOU MUST HAVE A PASSPORT TO ENTER MEXICO AND RETURN TO THE UNITED STATES AS OF JUNE 1, 2009.

The information we share at this rally will help to prepare you to travel further into Mexico. Every person has a different situation and we suggest you look at www.mexicanconnection08.com our Ch.8 website for specific information you will need to help plan a trip. Items like insurance should be well researched before you arrive so you are prepared to purchase from a company you are comfortable working with prior to the rally or at the time of the rally by phone or email if you are going into Mexico right away.

There are several articles on our website that discuss things like the documents you will need to have with you while you travel and safety checks to perform before you leave plus much more. Don't forget to read Mike and Terri Church's book Traveler's Guide to Mexican Camping check www.rollingshomes.com for their updates.

For further questions contact Wagon Masters Jim and Cynthia Ponder at pondermexico@gmail.com or by phone at 919-606-1156.
