

Volunteers Needed for Charity Committee

As you are thinking of the upcoming trip to Kino Bay, and how you want to volunteer your time, please keep the Charity Committee in mind. The Committee needs volunteers in many areas such as:

- Going on site tours of potential charity recipients
- Interviewing potential recipients for their needs
- Helping fill out request form, if needed
- Sorting in-kind donations for specific recipients
- Ensuring in-kind donations are separated for Benjamin Hill and Kino Bay
- Helping with the auctions (collecting items, displaying them, collecting money, etc.)

As you can see, we have need for volunteers in one-on-one situations, but we also have behind-the-scenes needs as well. Some people think it would be depressing to work so closely with people in need, but I have to say it is one of the most rewarding experiences I have ever been through. We can accommodate your level of comfort. It is not necessary to speak Spanish, but we could use volunteers who do speak the language and can be interpreters for those of us who can't.

Since Chapter 8 runs on volunteer power, there are many areas where your help is needed. Please keep the Charity Committee in mind when you make your choices

Marcy Davidson
Charity Committee Chairman
